

1.1 Library's Mission & Vision

Vision Statement

Welcoming, inspiring, and connecting our community.

Mission Statement

We serve as a community hub by connecting our patrons to all forms of literacy, lifelong learning, and growth.

About our Library Vision and Mission Statements

Both Richland Community Library's vision and mission statements, as they are in their current form, were adopted as part of our 2022 Strategic Plan. Both statements work to encompass our connection to our community.
