

1.15 Objectives

The general objectives of the Richland Community Library shall be:

- To serve residents of the Richland Community Library District.
- To acquire and make available to all library patrons media that will satisfy their needs.
- To assist patrons of all ages in their pursuit of knowledge and enjoyment through various media.
- To have the resources to provide the most frequently requested material in its collection.
- To maintain a program of services which enables patrons to obtain or access materials not available in the library collection.
- To remain open to new methods, technologies and improvements of service.
- Periodically, to review and revise the Objectives of the Richland Community Library.
