Exhibition Space Description

There is approximately 40 running-feet of wall space in the hallway with a top rail system and adjustable cables.

A permanent 8.5"x11" clear display is available for placement of artist statement and information.

Another large wall space is available that can accommodate up to 6'X6' lightweight images.

Also located in the gallery a locking display case with adjustable shelving, 4'h X 5'w X 2'd, where additional items can be shown: extra art works, process images, tools, matrixes, books, etc.
