

Friends of the Richland Community Library  
Thursday October 2, 2014

Present: Dianne Woods, Stevie Brinkerhoff, Raenell Kent, Ruth Anne Prentice

The September minutes were approved as printed

Treasurer was not present

Guest for the evening was Leslie Baynes who gave an overview of the “Year of Science and Engineering” theme that the Gull Lake Foundation has adopted for this year. She went in detail about the Science and Engineering Festival to be held on Nov 7, 8 and Gull Lake H.S. She also explained the involvement of Mind Trekker and local businesses in the festival. The Friends are looking at sponsoring a program later this year that would compliment this foundation theme. Many ideas were explored and Leslie gave additional ideas or organization / groups that may be able to provide a science related speaker or program. These ideas will be explored at future Friends’ meetings.

The November meeting will be held on Nov 5, the general Friends meeting will be at 6:30 PM and the antique appraisal will begin at 7:00 PM. Stevie is taking care of the details for the program.

A motion was made to give the library up to \$500 for the purchase of sound equipment to be used for programs. Dennis will start with purchasing microphones.

Motion by Brinkerhoff, seconded by Woods Motion carried

Meeting adjourned at 7:55PM

Respectfully submitted,  
Ruth Anne Prentice, Secretary
