

RCL - RICHLAND COMMUNITY LIBRARY

JOIN THE RICHLAND COMMUNITY LIBRARY FRIENDS!

The Friends were organized in 1973, when the RCL first started in the basement of the present day Richland Community Hall across from Hardings. That original group of Friends spearheaded the efforts to raise the awareness and funds needed to develop the Library into the beautiful facility you see today.

We are a 501C3 organization whose non-profit status allows donors to contribute to the RCL through the Friends. Our bylaws state our mission to not only raise funds for the needs of the RCL, but to hold educational and literary programs for the community.

The Friends have purchased furniture, Chrome Books, a Smart TV, and an AED device for the RCL in the last two years.

We are part of the Rotary/Croasdale Family and Library Michigan Author Series which sponsor four visiting authors each year.

Our summer activities include: Area Book Club Gathering; 4th of July Parade; and the Annual Book Sale that is part of the Annual Richland Art Fair.

Questions? Call the RCL or email the Library Friends President for 2019,
